MONU Facials

Monu Skincare use properties of natural ingredients including plants, herbs, minerals and essential oils.

Hydra Lift Collagen Facial *60mins* £38

This luxury treatment is to help dry dehydrated skin. A collagen veil is used to plump and firm the skin whilst restoring optimum moisture levels.

Prescription Facial *60mins* £38

This treatment uses a gel mask blended with nourishing essential oils to help revive, refresh and hydrate the skin.

Aromatic Facial *60mins* £38

This treatment provides exfoliation and a soothing massage to face, neck and shoulders. Using essential oils to benefit each different skin type, it helps to smooth and repair the absorption of the skin.

Line Smoothing Algae Facial *60mins* £38

This luxury treatment includes a seaweed compress to the face to help smooth and energize skin.

Resurface & Peel Facial *60mins* £38

This treatment aims to refresh and replenish the complexion with an active blend of natural acids, vitamins and essential oils.

Express Facial *30mins* £24

Introduction to Monu products, this treatment helps to hydrate the skin.

Dermaplaning *60mins* £30

This is an exfoliating treatment that gently scrapes away the surface of the skin to remove dead skin and peach fuzz (vellus hair) by using a surgical scalpel. Leaves the skin feeling beautifully smooth.

Massage

Swedish Massage

This is a therapeutic remedial massage to help relieve muscular problems caused by stress and tension.

Full Body, Face & Head *75mins* £40

Full Body *60mins* £38

Back, Neck & Shoulders *45mins* £35

Express Neck & Shoulders *30mins* £27

Hot Stones Massage

Hot stones are used to perform this massage. The heat they produce works deep into the muscles to help relax and de-stress.

Full Body *60mins* £40

Back, Neck & Shoulders *45mins* £38

Indian Head Massage *45mins* £35

This massage concentrates on the shoulders, neck, head and arms. It boosts circulatory flow and helps to ease tension.

Reflexology *45mins* £30

This relaxing treatment works with the central nervous system. Application of pressure to the feet sends calming messages to the body to help reduce tension levels.
